

INSTRUCTION SHEET FOR FINAL EXAMINATION TO BE CONDUCTED ON 4TH APRIL AND 11TH APRIL 2021 ONLINE

**Read this sheet in continuation with previous instruction sheet
already on website.**

The new rules are added taking into consideration the experience gathered during previous examinations.

*The proctors (invigilators) will talk to the students during the examination. The student should answer/reply to the proctors. If the proctors are not answered, it will be assumed that the speakers and microphone are muted and the student will be disqualified from the examination.

*The student should not utter a single word either in low voice or loudly during the examination. If found the student may be disqualified from the examination.

*The student should not talk to himself or others or hear any one, nor any one should talk to the students. If found the student may be disqualified from the examination irrespective of what the talk is about.

* We request all parents to stay away from the student.

*Your net connectivity should have minimum at least 2mbps speed and uninterrupted connection. You can check your speed of your net by using www.fast.com or www.speedtest.net or any other relevant site.

Please make sure that you have good bandwidth uninterrupted internet connection.

Even if you have a low bandwidth you may be able to log in or solve your exam paper, but it may not get submitted at our end even though you submit it. In such case the student will get zero score.

*We are not happy to disqualify one or any of the student, but at the same time the examination need to be conducted in fair manner to give justice to honest and sincere students.

*The proctor's decision will be final and binding to all. No proof of disqualification will be given to individual students.
